

## KL25 Hands-Free Counting

### Small Scale Packing Plus Check-Counting

**Assurance against dispensing errors plus simple, accurate counting for all medications.**

- Always-accurate tablet counter
- Needs no adjustments for different products
- For pharmacies requiring hands-free counting, and manufacturing facilities needing small to mid-scale counting and filling
- Fast counting using Kirby Lester world-renowned technology (up to 820 parts/minute)
- Bowl holds up to 300 tablets/capsules

The vial or bottle is filled via the left chute; extra parts purge back into the stock bottle via the right chute.

Simple touch-pad operation to fill a single order or a hundred orders.

*The KL25 is ideal for hands-free counting or pre-filling bottles or vials.*
