

## Software Tester

Are you bored at work? Are you looking for a challenge?!

Capsa Solutions has an answer for you! Join our growing team for an exciting career opportunity to work with the latest pharmacy automation equipment because, quite frankly, we think it's pretty cool stuff! Our Kirby Lester division is seeking a Software Tester to join the team at its Lake Forest, Illinois location.

You will play a key role in developing innovative software in a fast-paced, flexible environment where the team works collaboratively with multiple projects in play at one time. As a Software Tester, you will perform a variety of software test activities while learning and participating in all phases of the software development life cycle.

Typical tasks will include:

- Creating and executing test scenarios
- Generating test data and gathering detailed results
- Documenting software, firmware and product issues and defects
- Optimizing product quality to maintain high standards for our tabletop and robotic devices

A successful candidate will bring strong organizational and communication skills and will remain flexible in an ever-changing environment. This truly means that we'll keep you motivated every day!

Capsa Solutions and its branded companies are a recognized leader in the development and manufacture of healthcare equipment shipped domestically to every state and to over 70 countries worldwide...that's a statement we are very proud of! In addition to Lake Forest, we have facilities in Portland, OR, Columbus, OH, Huntersville, NC, and Agua Prieta, Mexico.

**Qualifications will include:**

- 1-3 years of experience as an entry-level Software Tester
- Microsoft SQL Server and Visual Studio experience are preferred
- Competent technical skills with strong attention to detail are required
- Strong verbal and written communication skills with the ability to collaborate in a team environment
- An independent self-starter with natural curiosity about how software solutions work in order to solve issues
- As a successful candidate, you will remain flexible in an ever-changing environment and work well under pressure of tight deadlines

We offer a solid pay and benefits package which includes paid time off, medical, dental and vision insurance, as well as 401(k) with matching contributions, life insurance, and long-term and short-term disability.
